

LOCKED ACCOUNT / FORGOT PASSWORD / VERIFICATION EMAIL

1. Click on the "Forgot Password" link on the login page. This will initiate the process of resetting your password.

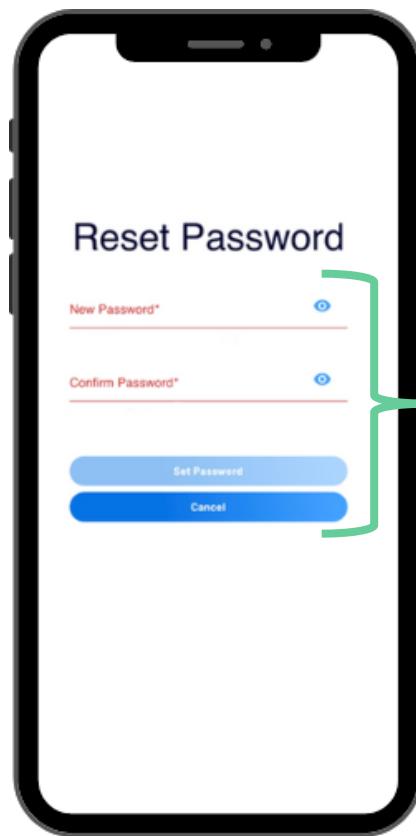

2. An email will be sent to the registered email address associated with your WAE account. Please check your inbox, including the spam/junk folder, for the password reset email.
3. In the email, you will find a password reset link. Click on this link, and it will redirect you to a secure page where you can set a new password for your WAE account.

4. On the password reset page, create a new password that meets our security requirements. Make sure to choose a strong password that includes a combination of letters, numbers, and special characters.

5. Once you have successfully reset your password, you will regain access to your WAE account. You can now log in using your new credentials and continue enjoying the benefits of our platform.
